J B MALLARADYA, Esq, M A,
Secretary to Government, Revenue Department,

Sir,

Revision of conservancy establishment in the
town Municipality at Chamarajanagar

I have the honour to forward herewith a detailed report No 1 C 22 of 46-47 dated the 19th August 1946 received from the President, Town Municipal Council, Chamarajanagar, together with a statement of ^{proposition} ~~report~~ in duplicate, and to state that the proposal is to increase the conservancy establishment by one Daffadar on Rs 13/- and 6 sweepers on Rs 10/- per man and enhancing the pay of 4 out of 34 sweepers who are paid at Rs 8/- at present to Rs 9/- to make it uniform with others. The total extra cost comes to Rs 924/- per annum exclusive of Dearness Allowance and inclusive of D A (at rates existing prior to the recent Government order enhancing them 50%), it works up to Rs 1,546/- per year as against 1,296/- Necessary provision has been made for this under L2 (c) Revision of Establishment

Chamarajanagar is a growing town and the present conservancy staff is quite inadequate to cope up with the conservancy and sanitation work and the insanitary conditions of the town have been noticed by me more than once during my inspections of the town and there is real need for strengthening the establishment to cope up with the work

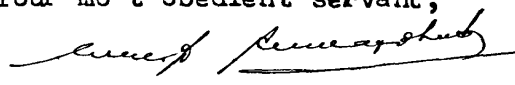

The Council have resolved at their meeting held on 21-5-1946 that the additional establishment recommended to be sanctioned. Copy of the resolution is enclosed
